Young Geoscientist Competition/Early Careers Award South East Regional Heat

The South East Regional Group will be holding its fourth Young Geoscientist/Early Careers Award competition on Tuesday 11th September and warmly invite all our regional members to come along and listen to a variety of interesting presentations.

We will have short presentations followed by panel questions on the following subjects:

- Rockfall hazard and risk assessment,
- Off shore geological assessment and modelling,
- Radon gas assessment,
- Using legacy data for oil province assessments,
- Stability assessment in rock slopes

All our regional members are encouraged to support this event and the entrants. Please let us know if you plan to attend so we can arrange catering.
