Information

Presentation Equipment

All the rooms are equipped with flat screen TV to display presentations and a laptop can be loaned (if needed).

To use the TV please ensure it is plugged in and turned on at the plug and the power is turned on using the accompanying remote control.

The TV is fitted with HDMI inputs only but a HDMI to VGA convertor is supplied in the room. Please let us know you require this at the start of your meeting and a member of our staff will ensure that this is up and working for you.

FIRE SAFETY

The building is fitted with an automatic Fire Alarm. If the alarm sounds, please leave the building as quickly as possible, without stopping to gather personal belongings. The exit route is by the way you entered the building, or if that route is unsafe, follow the green exit signs to an alternative exit. Please follow the directions below. Do not use the lift. The system is checked at 08:00 every Monday morning when there is no need to evacuate.

The assembly point is outside the entrance to the Indoor Market at the junction of Edgbaston Street and Gloucester Street.
